

US-Bangla receives ISAGO certificate

- A Monitor Report

Date: 01 July, 2024

Dhaka : US-Bangla Airlines, the largest private carrier of the country, recently received the certificate of registration from the International Air Transport Association for its ground handling services.

IATA Safety Audit for Ground Operations (ISAGO) recognised US-Bangla for maintaining high standard in ground handling services. This recognition further strengthens the airline's position in the aviation industry.

US-Bangla Airlines Limited has been registered under the IATA Safety Audit for Ground Operations programme (ISAGO), covering the following disciplines: Organisation and Management, Load Control, Passenger and Baggage Handling, Aircraft Handling and Loading, Aircraft Ground Movement and Cargo and Mail Handling.

The certificate of registration provides passengers and regulators with

confidence on the airline's safety, security and quality measures of ground handling services.

It may be mentioned here that US-Bangla has been an IOSA (IATA Operational Safety Audit) registered airline since 2023. Now, it is also an ISAGO registered airline.
