- A Monitor Report

Date: 16 June, 2024

Dhaka : Renaissance Dhaka Gulshan Hotel launched its "Summertime Fruitness" campaign on June 1. Embracing the vibrant essence of summer, the hotel has been transformed into a haven for fruit enthusiasts, offering an array of delectable fruit-themed delights across all its outlets.

From the inviting ambiance of the Lobby Cafe GBC to the diverse culinary offerings at Bahar Multicuisine Restaurant, guests can indulge in a tantalising assortment of fruit-infused creations crafted to tantalise the taste buds and evoke the spirit of the season.

The Lobby Cafe GBC has become a haven for those seeking refreshing indulgences, featuring an enticing selection of fruit-infused items, beverages and desserts. Guests can delight in a variety of innovative concoctions, blending the freshest seasonal fruits with gourmet flair.

Meanwhile, Bahar Multicuisine Restaurant is captivating diners with its tantalising fusion of flavours, presenting an eclectic buffet showcasing fruit-themed dishes that seamlessly blend international cuisines with local influences. From succulent mains to irresistible desserts, each dish promises a burst of summer freshness.

Throughout the hotel, the ambiance has been infused with vibrant colours and fragrant aromas of summer fruits, creating an immersive experience for guests to savour and enjoy.
