Date: 01 September, 2021

**Dhaka :** The one-of-a-kind Sea Pearl Waterpark at Royal Tulip Hotel in Cox's Bazar is now open.

The water park has reopened in compliance with all Covid-19 health guidelines.

Royal Tulip's Sea Pearl Water Park has been a huge hit among families and children.

The nine-acre water park, adjacent to the hotel, has all sorts of international standard rides, games and wave pool for both adults and children.

Since its establishment in November 2019, the water park had been open to all public, bringing a new exciting activity to the guests besides the marine drive.

However, due to the lockdowns imposed by the government to curb the coronavirus spread, the water park had to remain close until now. From August 19, to everyone's delight, it has reopened to welcome all guests again to a fun-filled adventure.

The hotel is currently running a special promo at BDT 600 which includes entry and availing of all rides from 9:00 am to 5:00 pm.

They also have a 5D Theater which can be enjoyed at BDT 150 per person.

Daily shuttle bus from Cox's Bazar City to Waterpark is available as well.
