

Visit MedPark Hospital Bangkok for world-class medical services

A Monitor Report

Date: 16 September, 2022

Dhaka : MedPark Hospital, Bangkok, Thailand has organised a health and treatment seminar, an introduction ceremony and a medical campaign on September 10 at Doreen Hotel Gulshan in the capital.

Makawadee Sumitmor, Ambassador of Thailand in Bangladesh, was the chief guest at the seminar.

She expressed her interest in working together with Bangladesh in the development of the health sector.

The Thai envoy also mentioned that Bangladesh has made remarkable progress in the health sector.

Maiyadhaj Samsen, MD and COO of MedPark Hospital invited the Bangladesh patients to experience the possible prospects of international medical treatment in MedPark Hospital in Thailand with world-class medical services and expressed his interest in helping the two countries to work together in the health and treatment sectors, exchanging knowledge and technology for the development of both countries in the coming days.

Dr Chad Wanishsawad, Cardiologist, and Dr Siripong Ratanachai, Orthopedic, from MedPark Hospital Bangkok were in attendance as Key Speakers and Special Guests at the seminar.

Dr Siripong is the best orthopaedic in Thailand and one of the top five ranking doctors in the world, mentioned the press release.

Also, two specialist doctors also offered free consultation service for the Bangladeshi patients after the seminar for three hours at the same venue.

It may be mentioned that MedPark Hospital gathered most of the experienced doctors in Thailand with the latest world-class medical equipment with the view to providing modern treatment services in this region, including Bangladeshi patients.

They have opened a referral office in Dhaka for better and faster services for Bangladeshi patients too.
