Dhaka: Airlineratings.com an agency for safety, product, and COVID-19 rating has named twenty leading airlines as COVID-19 compliant airlines.

They are in alphabetical order- Air Baltic, Air New Zealand, Alaska Airlines, All Nippon Airways, AirAsia, British Airways, Cathay Pacific Airways, Delta Air Lines, Emirates, Etihad Airways, Eva Air, [Japan Airlines](#), Jetblue, KLM, Korean Airlines, Lufthansa, Singapore Airlines, Southwest, Qatar Airways and Westjet.

According to [Airlineratings](#) Editor-in-Chief Geoffrey Thomas, these airlines have gone above and beyond in the protection of passengers or in adding flexibility to travel.

“All these airlines have been trendsetters in making travel as safe as possible,” Thomas said.

“For instance, [Qatar Airways](#) has provided face shields as well as masks, and Emirates introduced COVID-19 health insurance and an individual health kit.”
