

Emirates begins services to Madagascar

- A Monitor Desk Report

Date: 04 September, 2024

Dubai: Emirates has landed in Antananarivo, Madagascar with its inaugural flight today, September 4, 2024. The airline will operate 4 weekly linked flights via Seychelles on Tuesday, Thursday, Saturday and Sunday. Launch of Antananarivo marks airline's fifth destination in the Indian Ocean.

Emirates is the only airline operating to Madagascar with three dedicated classes of travel, including First Class on its Boeing 777-300ER. The aircraft features eight private suites in First Class, 42 lie flat seats in Business Class and 310 spacious seats in Economy Class.

As the world's fourth largest island, Madagascar offers travellers with a flair for adventure an entirely unique experience. The island is home to a wealth of precious biodiversity, with some of the world's rarest plant and animal species, and boasting three World Heritage UNESCO

sites.To protect the intricacies of the natural world, Madagascar encourages ecotourism,
