

Emirates resumes A380 service to Moscow

- A Monitor Desk Report

Date: 16 September, 2020

Dubai: Emirates has announced it will resume its A380 service to Moscow Domodedovo Airport (DME) - serving market demand and offering customers more travel options. The airline resumed flights to the Russian capital last week and due to strong passenger demand, its iconic Emirates A380 will operate the Dubai to Moscow route starting 18 September. Flights to Moscow operate every Friday and Saturday.

Emirates currently serves five cities utilising its A380 aircraft including, Cairo, Paris, London Heathrow, Guangzhou and Toronto.

Flights can be booked on emirates.com or via travel agents. Travelers can also enjoy enhanced connectivity via Emirates' codeshare partner in Russia, S7 Airlines – providing greater access to a range of regional destinations.

Emirates currently serves over 85 destinations in its network, including Dhaka . The airline operates 7 flights a week between Dhaka and Dubai and offering passengers safe and convenient connections to the Americas, Europe, Africa and Middle

East, via Dubai.

Customers can stop over or travel to Dubai as the city has re-opened for international business and leisure visitors. Ensuring the safety of travellers, visitors, and the community, COVID-19 PCR tests are mandatory for all inbound and transit passengers arriving to Dubai (and the UAE).

Emirates has committed to cover COVID-19 related medical expenses, free of cost, should they be diagnosed with COVID-19 during their travel while they are away from home. This cover is immediately effective for customers flying on Emirates until 31 October 2020 (first flight to be completed on or before 31 October 2020), and is valid for 31 days from the moment they fly the first sector of their journey.

The airline has implemented a comprehensive set of measures at every step of the customer journey to ensure the safety of its customers and employees on the ground and in the air, including the distribution of complimentary hygiene kits containing masks, gloves, hand sanitiser and antibacterial wipes to all customers.
